Nick has been singing traditional Folk Songs for over Forty years. He plays a mean guitar and has a voice I describe as mellifluous. Nick has had a big influence on the Folk scene and made numerous recordings.

**The Kimberleys**

The Kimberleys are a multi instrumentalist duo based in London UK. Their repertoire is drawn from traditional folk songs of the British Isles. Their honest arrangements, exceptional musicianship and glorious familial harmonies combine to make an impact much greater than their two piece line up. It is magical to witness.
